The Consumer Confidence Report is an annual water quality report that the Safe Drinking Water Act (SDWA) requires Lomita Water to provide you with. The purpose of the Consumer Confidence Report is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

If you would like a paper copy of the 2021 CCR mailed to your mailing address or would like to speak with someone about the report, please call 310-325-7110.

Your 2021 Lomita Water Consumer Confidence Report contains important information about your drinking water.

\$1,000 Fine for Setting Off Fireworks in Lomita, Extra Deputies on Patrol

The discharge of fireworks in Lomita is prohibited, including "safe and sane" fireworks. Lomita Sheriff Station will be once again providing dedicated enforcement deputies actively looking for violations and responding to complaints of fireworks leading up to and beyond the 4th of July holiday and violators can expect to receive a \$1,000 fine for every offense.

Amateur and illegal fireworks are primarily designed to produce a large amount of noise, which has shown to create mood disruptions and sleep problems. These sudden loud booms can be particularly traumatic for military veterans, survivors of gun violence, and pets. The use of these fireworks also impacts our air quality and pose a significant threat as we near another fire season. Code Enforcement and the Fire Department will be proactive in addressing dead and dried vegetation citywide that could pose a potential fire hazard.

To report illegal fireworks activity, contact Lomita Sheriff Station at 310-539-1661. Only use 911 in urgent cases of injury or fire that threaten life and property.

Instead enjoy the safe and professional aerial fireworks display that the City has planned for the upcoming Founders Day Fireworks Show on Saturday, June 25!
