The Consumer Confidence Report is an annual water quality report required by the Safe Drinking Water Act (SDWA). The purpose of the Consumer Confidence Report is to raise customers' awareness of the quality of their drinking water, where their drinking water comes from, what it takes to deliver water to their homes, and the importance of protecting drinking water sources.

If you would like to receive a physical copy of the CCR, please call the City of Lomita at 310-325-7110.

Your 2022 Lomita Water Consumer Confidence Report contains important information about your drinking water.
