

Winter Water Tours

The City of Lomita is hosting a series of Winter Water Tours at the Cypress Water Production Facility (CWPF) to further educate residents and provide transparency on the City's water system.

These free, one-hour tours offer a chance for both residents and business owners to gain insights into typical water-related questions and engage in discussions regarding the City's water resources and its forthcoming initiatives. Join us for one of our winter tours on the following dates:

Tuesday, November 14 at 3 p.m.

Tuesday, December 12 at 3 p.m.
