

2024 Consumer Confidence Report

Lomita Water's annual water quality report is now available.

The Consumer Confidence Report (CCR) is an annual water quality report required by the Safe Drinking Water Act (SDWA).

The purpose of the CCR is to raise customers' awareness of where their drinking water comes from, its quality, what it takes to deliver water to their homes and the importance of protecting drinking water sources.

To view your 2024 Consumer Confidence Report and learn more about your drinking water, please visit:
