

Special Municipal Election Announcement

On March 3rd, the Lomita City Council unanimously placed the City of Lomita Local Control and City Services Measure – Measure LW, a ¼ cent sales tax measure—on the June 2nd ballot.

Water engineers have identified city water and sewer pipes, some of which are 90 years old, that are at risk of failure if not upgraded. The City has declared a fiscal emergency because the cost of upgrading this aging infrastructure could drain the City's financial reserves. If enacted, Measure LW can address these needs.

The City Council placed Measure LW on the ballot to address community-identified priorities such as crime prevention (including thefts, burglaries and property crimes): keeping parks and public areas safe and clean; maintaining neighborhood sheriff patrols and emergency response; repairing streets and potholes; upgrading stormwater and sewer pipes, some of which are 90 years old; and maintaining Lomita's long-term financial stability.

For event updates and details, visit
LomitaCity.com.

Special Municipal Election Announcement

If Measure LW is not enacted, L.A. County could seize this money and use it themselves. If enacted, Measure LW keeps taxpayer dollars local, for the benefit of Lomita residents.

Measure LW requires all revenue is collected and spent only to benefit Lomita residents and businesses to maintain City services and address local needs.

Please ensure that your Lomita vote is counted! Recent USPS operational changes mean that ballots mailed late may not be counted in time. Considering these changes, if you plan to return your ballot by mail, please do so early, and no later than Wednesday, May 27.

Sincerely,
Andrew Vialpando
City Manager

2025 Consumer Confidence Report

Lomita Water's annual water quality report is now available.

To view the 2025 CCR, visit:
LomitaWater.com/CCR2025

The Consumer Confidence Report (CCR) is an annual water quality report required by the Safe Drinking Water Act. It informs customers about the source, quality and delivery of their drinking water, as well as the importance of protecting water sources.

To request a printed copy, contact the City of Lomita at **(310) 325-7110**

Strengthening Community Safety Through New Illegal Fireworks Enforcement

The City of Lomita has adopted a new ordinance to address illegal fireworks and keep the community safe and clean.

All fireworks remain prohibited, including their sale, storage and use. Enforcement has been strengthened with fines up to \$1,000 per violation and a confidential reporting program offering rewards up to \$500. Property owners and tenants may also be held responsible for violations on their property.

Residents are encouraged to report illegal activity via the **Lomita Connect app**, by emailing **Code@LomitaCity.com**, or calling **310-325-7110, Ext. 156**.
