Lomita Local Travel Network

Community Meeting

SATURDAY, OCT. 31

10 a.m.- 12 p.m.

TOM RICO CENTER AT LOMITA PARK
24428 ESHELMAN AVE., LOMITA

The City of Lomita is finalizing a series of improvements along **Eshelman Avenue** and at the **Walnut Street/Ebony Lane/253rd Street** intersection. These will support the **Local Travel Network**, a regional network of slow-speed streets to be shared by all forms of mobility, safely connecting neighborhoods and destinations.

Please join us at this public meeting to learn more about proposed changes that will **enhance safety and access** along this key neighborhood corridor and intersection.

Join us on **Oct. 31** to see the latest recommendations and learn what's next for Lomita's Local Travel Network.
